To whom it may concern

I am writing to express my objection to the proposed works at the following address:

Top Playground at the Rear of Southbank International Schools
16 Netherhall Gardens
London NW3 5TH

My concerns are:

- i) the tree is in back garden of Netherhall House (of which i am the warden);
- ii) the tree offers valuable and desired screening for Netherhall House from overlooking neighbouring windows;
- iii) the tree reduces noise levels emanating from the said back garden

Regards,

Peter Brown
