AMENITY GROUP CONSULTATION COMMENTS

Date 21 December 2015

Planning Application Number
2015/6356/A

Planning Application Address
24 Cambridge Circus WC2H 8AA

Proposal

Display of an internally illuminated projecting sign to Shaftesbury Avenue elevation.

COMMENTS

Given that the applicant has revised the proposals for illuminating the projecting sign to now comply with local, regional and national planning policies, the CGCA withdraws its objection.

However, a condition or informative should be included requiring the applicant to maintain the projecting sign and other advertisements to standards set by Camden planning policy or else have planning permission revoked. This is necessary to ensure the character of the conservation area is maintained, as the applicant has previously disregarded the need for planning permission or for complying with permission granted.
