

Application No: 2015/6732/P **Consultees Name:** A Lynes **Consultees Addr:** 69/71 Farringdon Road, London, EC1M 3JB **Received:** 17/12/2015 13:01:32 OIBJ **Comment:**

Response: I am the owner of the 69/71 Farringdon Road building adjoining 67. I am objecting to the plans based on the information provided to yourselves which is incorrect. Drawing 0300 Revision B incorrectly show a "building" on top of the Mansard Roof on the No. 69 Farringdon Road side- this is completely incorrect. Secondly the Location Plan Drawing 0101 Revision A shows the ground plan of No. 67 inaccurately to the buildings, 69, 71 & 73. 67 Farringdon Road is flush with the rear of No. 69 but Nos. 71 & 73 actually extend further back and are indeed deeper than No. 67 Farringdon Road. I am somewhat concerned that they don't seem to have provided the basic information accurately to the Planning Department. I have no objection in principle to their proposal to create a Mansard roof extension to create one self contained one bedroom flat, as long as they have full regard and respect to Party Wall Awards and to my existing right of light. I would prefer to receive accurate plans before this application is taken any further forward.
