2015/6850/T	Olga Way	8 Twisden Road London NW5 1DN	18/12/2015 13:50:00	COMMNT	We at No 8 Twisden Road NW5 1DN are pleased that the ash tree is being felled. As it's located between Grove End Lodge and Denyer House tts height has been of concern to us for years as it has completely blocked sunlight from our garden and back of house in the summer when in leaf. It was heavily pruned in 2014 which helped a lot, but now that it's coming down, we are glad that we will have more light and a view of the sky.
