

## Eco Green Roofs®

Sedum-mix blankets

### Material

The biodegradable Eco Green Roofs® Sedum-mix blankets comprise ten to twelve different species of Sedum. The plants grow on a coconut fibre carrier and a special substrate developed by Eco Green Roofs®. The blankets boast at least 95% coverage upon delivery. Eco Green Roofs® vegetation blankets are produced in accordance with FLL guidelines.

### About the vegetation

The sebaceous Sedum plants are adept at storing water in their leaves and are therefore extremely suitable for varying weather conditions.

### Installation and maintenance

Eco Green Roofs® vegetation blankets are easy to install and our experts can advise on installation. Sedum-mix blankets can be installed on sloping surfaces of up to 25 degrees (retention battens will need to be in place 15 degrees and over). Their (minimum) maintenance depends on the build-up of the system. Full maintenance and aftercare packages are available from Eco Green Roofs.

### Technical data:

Coverage:	95%
Weight when dry:	approx. 25 kg m <sup>2</sup>
Saturated weight:	approx. 35 kg m <sup>2</sup>
Thickness:	2-4 cm
Standard sizes:	100 cm x 100 cm 100 cm x 200 cm <i>Other sizes can be agreed</i>
Maximum roll length:	15-20 m
Number of m <sup>2</sup> per pallet:	max 35 m <sup>2</sup> (for standard sizes)
Pallet size:	130 cm x 110 cm

### Species:

#### Sedum acre

English name:	Biting stonecrop
Flowering period:	June - July
Flowering colour:	Yellow
Type:	Evergreen, herbaceous perennial
Maximum height:	5 to 10 cm
Growing place:	Sun

### **Sedum album 'Murale'**

English name: White stonecrop  
Flowering period: June -July  
Flowering colour: White, pale pink  
Type: Perennial  
Maximum height: Approx. 10 cm  
Growing place: Sun, partial shade

### **Sedum album 'Coral carpet'**

English name: White stonecrop  
Flowering period: June -July  
Flowering colour: White  
Type: Evergreen perennial  
Maximum height: 5 to 10 cm  
Growing place: Sun, partial shade

### **Sedum album 'Micranthum chloroticum'**

English name: White stonecrop  
Flowering period: June -August  
Flowering colour: White  
Type: Evergreen perennial  
Maximum height: 5 to 10 cm  
Growing place: Sun

### **Sedum lydium**

English name: Least stonecrop  
Flowering period: June - July  
Flowering colour: White, pale pink  
Type: Evergreen perennial  
Maximum height: 5 to 10 cm  
Growing place: Sun

### **Sedum sexangulare**

English name: Tasteless stonecrop  
Flowering period: June- August  
Flowering colour: Yellow  
Type: Perennial

Maximum height: 5 to 10 cm  
Growing place: Sun, partial shade

### **Sedum hispanicum**

English name: Spanish stonecrop  
Flowering period: June - August  
Flowering colour: White  
Type: Evergreen perennial  
Maximum height: Approx. 5 cm  
Growing place: Sun, partial shade

### **Sedum floriferum**

English name: Gold stonecrop  
Flowering period: June - July  
Flowering colour: Yellow  
Type: Herbaceous perennial  
Maximum height: 10 to 15 cm  
Growing place: Sun, partial shade

### **Sedum forsterianum**

English name: Rock stonecrop  
Flowering period: June - July  
Flowering colour: Yellow  
Type: Perennial  
Maximum height: 15 to 30 cm  
Growing place: Sun

### **Sedum hybridum**

English name: Hybrid stonecrop  
Flowering period: July and September  
Flowering colour: Yellow  
Type: Semi-evergreen perennial  
Maximum height: 10 to 15 cm  
Growing place: Sun, partial shade

### **Sedum kamtschaticum**

English name: Kamtschaticum stonecrop  
Flowering period: June - September  
Flowering colour: Yellow  
Type: Perennial

Maximum height: 10 to 15 cm

Growing place: Sun

### **Sedum reflexum 'Blue spruce'**

English name: Blue spruce stonecrop

Flowering period: July - August

Flowering colour: Yellow

Type: Evergreen perennial

Maximum height: 10 to 15 cm

Growing place: Sun, partial shade

### **Sedum reflexum 'Green spruce'**

English name: Green spruce stonecrop

Flowering period: July - August

Flowering colour: Yellow

Type: Evergreen perennial

Maximum height: 15 to 20 cm

Growing place: Sun, partial shade

### **Sedum reflexum 'Angelina'**

English name: Angelina stonecrop

Flowering period: June - August

Flowering colour: Yellow

Type: Evergreen perennial

Maximum height: 10 to 15 cm

Growing place: Sun, partial shade

### **Sedum spurium 'Coccineum'**

English name: Stonecrop

Flowering period: July - August

Flowering colour: Red, maroon

Type: Evergreen perennial

Maximum height: 7 to 10 cm

Growing place: Sun

### **Sedum spurium 'Summer Glory'**

English name: Two-row stonecrop

Flowering period: June - August

Flowering colour: Pink, red

Type: Evergreen perennial

Maximum height: Approx. 15 cm  
Growing place: Sun, partial shade

### **Sedum spurium 'John Creech'**

English name: John Creech stonecrop  
Flowering period: August - September  
Flowering colour: Deep pink  
Type: Evergreen perennial  
Maximum height: Approx. 15 cm  
Growing place: Sun, partial shade

### **Sedum spurium 'Album Superbum'**

English name: Caucasian stonecrop  
Flowering period: July - September  
Flowering colour: White  
Type: Evergreen, herbaceous perennial  
Maximum height: Approx. 15 cm  
Growing place: Sun

### **Sedum takesimense**

English name: Ullungdo island stonecrop  
Flowering period: July - September  
Flowering colour: Yellow  
Type: Evergreen perennial  
Maximum height: Approx. 40 cm  
Growing place: Sun
