2015/6246/P	Paul Braithwaite	42 Bartholomew Villas	22/12/2015 08:29:53 INT		The minimal description fails to identify whether this is a typical fast food outlet, like a Burger King with extra seating in the basement, or whether it is a proper restaurant. Unhelpful. Please clarify for the local community. I also note that the 20 dwellings above and behind, in Northumberland House, do not appear to have been consulted.
