2015/6278/P	Pamela Cardenas	13 Lyndhurst Terrace London NW3 5QA	22/12/2015 18:47:58	COMNOT	<p>We object to:</p> <ol style="list-style-type: none"> <li>1) the proposed basement which seems excessive in relation to the size of the site, &amp; we are concerned with the potential associated water problems</li> <li>2) the roof terrace, which will overlook neighbours</li> </ol> <p>We would appreciate it if the owners could be persuaded to reduce the size of the basement, leaving more garden space. If the garden space is larger they will hopefully not need to build the roof terrace, which will overlook neighbours</p>
2015/6278/P	David Immanuel	13 Lyndhurst Terrace London NW37PE	22/12/2015 20:27:28	COMMNT	<p>I would prefer the basement to be reduced in size i.e. more garden left in place. The current plan is likely to cause very significant water problems for neighbours.</p> <p>I would also like the roof terrace, which directly overlooks neighbours to be removed from the proposed plan, or at least very significantly reduced in size.</p>
