#### Informative(s):

- 1 Reason for granting consent:

Camden Planning Guidance (CPG1) states that banner advertisements in commercial areas may be considered a suitable form of display and that they must safeguard the amenity, character and appearance of conservation areas and listed buildings. It is acknowledged that all of the banners are located within Hatton Garden conservation area. It is also acknowledged that the proposed banners are to promote the local area such as the jewellery trade here, and for no other commercial purposes that would not benefit nor serve Hatton Garden. The proposal has been amended to remove banners which would impact on the setting of listed buildings.

As such, it is considered that the proposal would comply with design guidance and is appropriate in terms of size, design and location without causing excessive visual clutter. It would preserve the character and appearance of the conservation area and adjacent listed buildings.

There are no CCTV cameras within Hatton Garden to be affected.

The banners will not impact on the neighbours' amenity nor be harmful to either pedestrian or vehicular safety.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area and special regard has been attached to the desirability of preserving the listed building or its setting or any features of special architectural or historic interest which it possesses, under s.66 and s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5, CS14 and CS17 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56 -67, 126 -141 of the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
