Patrick

I can confirm that we are happy to accept the limit to 5 years on the temporary change of use. Do let me know if there is anything else you need to know on this application. I have also received the decision notice for the application for the louvres. Thank you for all of your work on this, it is much appreciated.

Many thanks

Best regards

Justin

Hi Justin,

I have discussed the above application with Jenna Litherland and we wouldn't consider 10 years to be a temporary period for the proposed change of use. Although we have granted temporary changes of use at other King's Cross sites these have been for a period of no more than 5 years and this is what we would be looking to grant for the current application.

There are no other issues with the proposal, I just need confirmation that you are happy with a temporary use of no more than 5 years.

Thanks,
