

To the London Borough of Camden

APPLICATION FOR CONSENT FOR WORKS TO A TREE UNDER A TREE  
PRESERVATION ORDER

Application of: David Edlin  
120 Leighton Road  
Kentish Town  
NW5 2RG

E-mail: [REDACTED]

Tree location: as above

The application is for work to a tree subject to a TPO.

Applicant is owner.

The TPO ref is S7.

The tree is a PLANE in the front garden. Consent is sought to reduce in height the most easterly limb by approximately 10 feet and to a suitable point to reduce the weight of the limb above a cavity in it (at a point where a side branch was removed 30 years ago).

This action has been suggested by James Remmington.

Sketch herewith.

The tree is not diseased nor is there a present fear of breaking or falling.  
There are no issues as to subsidence or drains.  
No additional information is being provided.

Applicant is not, nor is he related to, an elected or staff member of Camden Council.

I hereby apply for planning permission/consent as described in this form and the accompanying sketch.

I confirm that to the best of my knowledge any facts stated are true and accurate and any opinions given are genuine opinions of the person giving them.

Date 8<sup>th</sup> December 2015
