

EXISTING FRONT ELEVATION

PROPOSED FRONT ELEVATION

For details of rebuilt
front steps and lobby
see drawing 53021-8

NOTES.

#44 underpinned to correct substantial
building differential settlement and wall
cracking.

Garden Floor finished floor level
reduced by 340mm to give an
increased ceiling height from 1980mm
to 2320mm.

EXISTING & PROPOSED FRONT ELEVATIONS & SECTION B - B
(As viewed from front yard - Section through front steps & lower lobby)

44 Downshire Hill, London NW3 1NU
