

For ease of use, these Management guidelines have been split into three sections

[Section 1 Listed Building Heritage Partnership Agreement](#)

Explains the document, wording, procedures and responsibilities of each party. Sets out clearly which works are exempt from Listed building consent under this agreement.

[Section 2 Consented Works \(Conservation Manual\)](#)

Explains in as much detail as available the original construction of individual building elements, followed by maintenance repair and replacement recommendations.

[Section 3 Appendices](#)

Contains reference documents and sources of further information.
