Re: Alexandra Road Estate (Better Homes) Heritage Partnership Agreement

15th December 2015

Dear Catherine,

Please find enclosed our application information relating to the Heritage Partnership Agreement (HPA) submission for Better Homes upgrades on the Alexandra Road Estate.

The most recent advice we have been given is that no standard forms are yet in place for HPA applications, but please advise if you do require any forms or other information in order to register, process and determine the application.

Please also confirm the related fee, in order that payment can be arranged, via an internal transfer of funds.

Yours sincerely,

Jonathan Mann
