BY POST

Dear Sir/Madam,

PROPOSED INSTALLATION OF 2 NO. MICROWAVE DISHES AND AN INTERNAL CABINET ON THE EXISTING TRANSMITTING TOWER AT BT COMMUNICATIONS TOWER, 60 CLEVELAND STREET, LONDON, W1T 4JZ

This is a full planning and listed building consent application, for permission for the development of:

The installation of 2 x 0.6m dishes and one equipment cabinet within an internal room and ancillary development at the existing transmitting tower at London Telecom Tower, 60 Cleveland Street, London, W1T 4JZ. NGR 529210/181890.

The application comprises:

- Planning Application form and certificates
- Planning drawings - Ref. No's: BTT_100, 200, 300, 400
- Prescribed fee - £385.00
- Site Specific Supplementary Information
- Design and Access Statement (including Heritage Assessment)

PHA Communications Limited are currently in the process of assisting with the design and acquisition of a wireless network as such they need several links and sites in order to establish a connection. The dishes at this site will allow them to use this location as an intermediate hop for the overall end to end connection.

The enclosed application is for an upgrade to an existing New Line Networks site and the design balances operational need with local planning policies and national planning policy guidance.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully,

Martin Harris
