Subject: Network Rail Consultation - 2015/4778/P

Dear Mr Thuaire,

Thank you for consulting Network Rail with regard to the above planning application.

I can confirm that Network Rail are aware of the proposed development and are in early negotiations with the applicant to grant a 999 year lease for the land in question. The applicant has an adverse possession claim and originally approached Network Rail regarding a sale. However, there is important infrastructure in place for which ownership and access for Network Rail that must be maintained.

Network Rail has no objection to the proposed development subject to internal and ORR consents (LC7).

Should you require any further information please do not hesitate to contact me.

Kind Regards,

Adrian Toolan,
Town Planning Technician,
