Dear Mr Whittingham

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)  
NATIONAL PLANNING POLICY FRAMEWORK 2012**

**64 Lincoln's Inn Fields , London , WC2A 3JX**

*Discharge of condition 3 (Archaeological Survey) granted under reference 2013/7434/P dated 23/01/15.*

**Recommend Archaeology Condition to be Satisfied**

Thank you for your consultation received on 4 June 2015.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

I have now received confirmation regarding resourcing for the publication of the results of the archaeological works which have taken place on the site, and which is in compliance with the archaeological condition of the above planning permission.

Having considered the submitted information I recommend its approval. No further archaeological work is necessary other than the agreed publication of the results. I am therefore happy to recommend that the archaeological condition under this application has been satisfied.
