2015/6110/P	Ian Trackman	Three Bells House 3b Hampstead Lane Highgate N6 4RS	29/12/2015 10:29:06	OBJ	I object to the use, implied by the application, of the roof as an extension to the restaurant. The restaurant is close to many residential properties. The use by the adjacent Gatehouse pub of its garden as an extension to the pub is already a noise nuisance. The use of the roof of this restaurant by diners is likely to add to this nuisance.
