2015/6213/P	W.Cooper	Flat 1 2 Iverson Rd Londo NW6 2HE	08/01/2016 15:37:55	COMMNT	My garden is immediately adjacent to this address.Two large air conditioning units and an extractor were installed a year ago without any permission overlooking my garden at first floor level, making a loud humming noise and filling my garden with noticable stale air and cooking smells.Despite requests to move these further back from the edge no progress. Another two would be quite intolerable.
