2015/6684/P	Monica Kar	189a Sumatra Road West Hampstead London NW6 1PF	24/12/2015 10:50:19	OBJNOT	This party build a two storey extension with a window which overlooks my garden and blocks my light without my knowledge or consent. Had I been informed I would have objected and I do object to the extension and any further works which invade my privacy.
