2015/7035/P	Richard Simpson for Primrose Hill CAAC	12A Manley Street London NW1 8LT	08/01/2016 16:56:24	COMMNT	ADVICE from Primrose Hill Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT  6 January 2016  14 Fitzroy Road NW1 8TX      2015/7035/P see also 2015/5028/P  No objection. We comment, however, that the minor change of level sought requires a considerable amount of excavation, underpinning, and concrete construction which is at a very high cost in terms of carbon footprint. This is harmful in broader terms of conserving resources: is it really sustainable development?  Richard Simpson FSA Chair
