15A St. Giles High St.

Leeds W2H 8LW.

Dear Mr. Moran.

Appraisal 2015/5068/P

I wish to object to the above
appraisal which has just come to my
notice.

I live almost immediately above
the proposed restaurant in the adjoining block.
The introduction of a restaurant in what
is almost entirely a residential
area would be intrusive, and cause

noise and pollution by waste, especially
for late-night customers. I ask that
you impose conditions that:

1. the restaurant does not provide
take-aways and
2. the restaurant is open during
the daytime only until 6 p.m.

Yours sincerely,

John Hicks.
