2015/6716/INVALID	Joseph & Louise Bitran	81a Priory Road London NW6 3NL	12/01/2016 10:59:07	OBJ	We are owners of 81a Priory Road, the property next to number 83. We object to this application as the proposed unit will be a complete eyesore, not in keeping with the conservation area and extremely noisy (immediately outside our front door and a bedroom window). In this narrow space, the noise will be amplified. Air conditioning units do not need to be installed on the outside of a building, they can be installed inside, and therefore avoid inconveniencing neighbours. The type of unit proposed would be totally inappropriate for a residential building, it is cumbersome, noisy and extremely unattractive, more akin to a 1960s office building used for commercial purposes. We strongly object.
