

Dear Sir,

I am writing about
a planning APP for No 11
Holmgate Rd West Hampstead
NW6 1BE No

2015/6485/P

I am worried as the garages
he wants to demolish are in fact
made of ASBESTOS and
I am next-door does he know
that there has to be a special
team to pull them down
or will he get Tom Dick's Harry
to do it I would like you
please to get in touch with
me to discuss this further

Thank you

Mrs M. ELLIS
