2015/6581/P	Meredith Whitten	Covent Garden Community Association 42 Earlham Street WC2H 9LA	13/01/2016 16:33:40	COMMNT	The CGCA is disappointed that the applicant installed an ATM in such proximity to the doorway to a block of residential flats (Sheldon Mansions). CPG1, 7.38 says that cash machines are only likely to be acceptable provided they are positioned sensitively and not be located where queuing could cause problems and with minimal amount of display material. Given that the ATM is just a few metres from the front door to the flats, queueing, particularly at night, would have an impact on residential amenity. The CGCA has submitted a photo to Camden via email.
