Dear Sir,

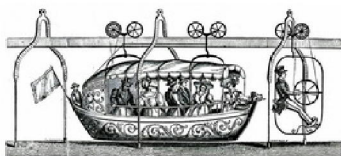

Re: 2015 / 6986/P etc

Please could I object to this application for a new "Five Guys" shopfront at the above island site on behalf of the Kings Cross CAAC & Friends of Argyle Square?

This is a very prominent building that clearly makes a positive contribution to the Conservation Area, and the proposed shopfront is quite different from the generic one that already has approval due to the extent of frontage that is now closed off or covered with film. We believe that this degree of dead frontage in this location will encourage inappropriate activities for a Conservation Area, or anywhere else, and that the shopfronts should be transparent as indicated on the approved scheme.

Yours Sincerely,

Bill Reed.
