Comments by	7 January 2016
Proposal	Variation of condition 3 (approved plans) of planning permission 2014/1096/P dated 02/05/14 (for; 'conversion of existing raised and lower ground floor maisonette and excavation of a new basement to create a two bedroom flat at raised ground level and three bedroom maisonette at ground floor and basement levels; works to include the demolition of the existing rear ground floor extension and the creation of a new rear extension at ground floor level), namely excavation of front lightwell with glass floor panel.
Objection	Yes
Observations	We object to the front lightwell with structural glass panel as it would be an incongruous addition which will certainly be visible from the street. B Wober for Belsize CAAC
