Dear Sir/Madam

Mr Damon Peddar

22 Pedfern Road

London NW10 9LB

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

Flat 3 24 Dynham Road London NW6 2NR

Proposal:

Erection of rear dormer and installation of 2x rooflights to front roofslope associated with loft conversion at 3rd floor level.

Drawing Nos: Site location plan 151009/ 01; 02 Rev B, 03, 04, 05, 06 Rev B, 07, 08 Rev B, 09

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

The development hereby permitted shall be carried out in accordance with the following approved plans: site location plan 151009/ 01; 02 Rev B, 03, 04, 05, 06 Rev B, 07, 08 Rev B, 09

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

1 Reasons for granting permission.

The proposed rear dormer and two rooflights to front roofslope are considered to be acceptable in design and appearance and would not harm the appearance of the host building or streetscene.

The proposed rear dormer window has been revised to reduce is bulk and would appear as a subordinate addition within the existing roof slope and maintain a 0.5m setback from the ridge, walls and eaves of the property, the size and location of the proposal would not cause any undue harm to neighbouring amenity in terms of loss of light, outlook or privacy. The development is limited to a dormer structure within the roof and the current levels of overlooking would not be exacerbated given the windows located below the proposed dormer at first and second floor level currently serve habitable rooms.

No objections have been received prior to making this decision. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policy policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2015 consolidated with alterations since 2011; and paragraphs 14, 17 and 56 -66 of the National Planning Policy Framework.

2 Your proposals may be subject to control under the Building Regulations and/or the

London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
