Dear Mr McClue

**Arrangements for Handling Heritage Applications Direction 2015 & T&CP (Development Management Procedure) (England) Order 2015
22, 23 AND 26 DENMARK STREET, LONDON , WC2H 8NN
Application No 2015/6937/L and 2015/6939/P**

Thank you for your letter of 17 December 2015 notifying us of the applications for listed building consent and planning permission relating to the above site. We commented in detail at pre-application stage, and I enclose our letter for your information. This letter sets out our position on the current applications. We have no objection to the applications and are content for the London Borough of Camden to determine them as you see fit.

We enclose the draft letter authorising the granting of consent (draft attached) and have referred the case to National Planning Casework Unit. Subject to the Secretary of State not directing reference of the application to him, they will return the letter of direction to you.

If your authority is minded to grant listed building consent, you will then be able to issue a formal decision. Please send us a copy of your Council's decision notice in due course. This response relates to listed building matters only. If there are any archaeological implications to the proposals please contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973 3712).

Yours sincerely
