2015/6484/P	H Knight	309 West End Lane NW6 1RD	14/01/2016 12:23:55	OBJ	<p>With regards to granting A3 status, there has been an on going issue with the residents regarding the smoke from the shisha coals and the noise continuing until after midnight.</p> <p>There is also nowhere to safely install an extraction unit so granting A3 status is futile and will only lead to more disputes with the residents of 309.</p>
