Application for tree works: works to trees subject to a tree preservation order (TPO) and/or notification of proposed works to trees in a conservation area.

Town and Country Planning Act 1990

Publication of planning applications on planning authority websites

Please note that with the exception of applicant contact details, the information provided on this application form and in supporting documents may be published on the authority's website.

If you have provided any other information as part of your application which falls within the definition of personal data under the Data Protection Act which you do not wish to be published on the authority's website, please contact the authority's planning

Please complete using block capitals and black ink.

You must use this form if you are applying for work to trees protected by a tree preservation order (TPO). (You may also use it to give notice of works to trees in a conservation area).

It is important that you read the accompanying guidance notes before filling in the form. Without the correct information, your application &

Council: London Borough of Camden

Mr. Simon O' Shea S O S Gardens 1' Stoughton Avenue Cheam Surrey SM3 8PH

<u>Site Address:</u> The Engineer, 65 Gloucester Avenue, London, Nw1 8jh

TPO/CONSERVATION AREA APPLICATION REASONS FORM

Our Ref: 27962

Site Address: The Engineer, 65 Gloucester Avenue, London, NW1 8JH

Tree Number:

Reason for work:

1 Bay reduction of this tree is recommended to maintain the tree at an acceptable size for its location. The tree is very close to the building and requires regular pruning to reduce the risk of any future damage to the property.

Map Ref: 27692
