Planning application address... 156 West End Lane London NW6 1SD.....

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

This development will have a huge impact on the local community. The height and size will overshadow not only the houses who will have to look onto it but also the views from surrounding area. There is little space for children to play and the children's play area and the open space on Crown Close will be completely overhatched and overshadowed.

The pavements are already crowded - you only have to catch a train between 8-9 am to realize that there are almost as many people on a very busy road as on the pavement.

The local community struggle to see a G.P or get a place for their child in a local school. Where is the infrastructure to support a development of this size?

I object to this application on its size and impact on the whole area.
