2015/6330/P	Rebecca Emery	7 Alma Street Kentish Town NW53DJ	19/01/2016 18:24:30	SUPPEMAI L	Please register my support of this development. As a young person living and working in the borough I am tired of unelected residents associations having undue sway over planning processes. The borough has diverse and sufficient retail and exhibition spaces but suffers from a lack of available housing stock leading to unaffordable prices. Much greater housing development is needed.
2015/6330/P	Annabel Else	44 Raglan St London NW5 3DA	19/01/2016 13:59:26	APP	I feel that it would be a great shame to lose the gallery. I feel it's a valuable local cultural centre and have been to many excellent exhibitions and events there. The huge windows at the front means that you can see some of the artwork without going inside - making it both extremely accessible and also inspiring to those who need encouragement to explore their own creativity. There's nothing else like it locally and the fact that it exists helps the area seem more diverse and interesting. it would be a great loss for the local community and for those who travel from further afield. please reconsider.
2015/6330/P	Dennis Peper	First Floor Flat 24 Prince of Wales Road London NW5 3LG	17/01/2016 19:30:40	OBJNOT	My wife and I object based on the fact that the 1.2 metres that is proposed to be demolished from the front of the building is part of our demised premises. Please see title plan number NGL924344. In addition please note that the photos included in the application with recycle bins on the pavement were taken on the morning of collection, generally they are kept in the bin store in the hallway (proposed new front door to flats).

2015/6330/P	Alex Sanders	8 Kyverdale Road London N16 7AH	18/01/2016 19:32:06	OBJ	Dear Sir/Madam, I am the owner/leaseholder of First floor, 22 Prince of Wales Road, NW5 3LG. I would like to file a strong objection to these plans which involve the destruction of 1.2 metres of the roof terrace which is part of my demised property. I am objecting as the owner/leaseholder of this roof terrace. I have recent title plans from the Land Registry clearly showing the roof terrace included in my demised property and am happy to supply them as required. Yours faithfully, Alex Sanders
