

Dear Ian,

This is regarding planning application reference: 2015/6330/P

My wife and I object based on the fact that the 1.2 metres that is proposed to be demolished from the front of the building is part of our demised premises (utilised as our roof terrace). Please see attached title plan.

In addition please note that the photos included in the application with recycle bins on the pavement were taken on the morning of collection, generally they are kept in the bin store in the hallway (proposed new front door to flats).

Please inform me of any planned committee meetings or if you have any questions just let me know.

Regards,

Dennis Peper
