Your comments on the planning application

The NDF has already sent detailed objections which I fully support. However, in a nutshell I object on the following grounds:  
We already have too many high rise blocks appearing  
The impact on local amenities, transport and community have not been properly assessed, as would be expected of other large scale development areas.  
The scheme itself is ugly, out of character, too imposing and frankly a step backwards for the area.  
There are better alternatives which have been proposed.  
Make no mistake - THIS IS A VOTING ISSUE.
