Hi Rob,

I will get back to you ASAP about timings.

Could you please confirm the following:

- a. All deliveries take place outside of show hours*
- b. All delivered are pre-planned - we don't have adhoc deliveries that we are not expecting*
- c. All deliveries are told to stop off the highway in the gated entrance to the site and meet the site staff*
- d. Using trained banks staff the vehicle will pull forward onto Goods Way and reverse into the site*
- e. It will service / deliver as required*
- f. It will then leave forwards under the control of our banks staff again*

This is a condition that was added last time and needs adding again.

Thanks,

Patrick Marfleet

Sorry - one more thing - can you please confirm the timings for the hearing - and last time we came we were asked to register beforehand because there was a large application going through (not ours) - is this the same again?

Hi Patrick

How about these? The other structure contains some small office areas which are used for dressing rooms and offices etc etc

Kind regards

Hi Rob,

Not quite. The floor plans need to show the internal area for all the structures on the site. They may be labelled *Ground floor plan or ground floor back of house*.
