Dear Mr McClue

**Arrangements for Handling Heritage Applications Direction 2015 &
T&CP (Development Management Procedure) (England) Order 2015
Application for Listed Building Consent**

**40 GREAT JAMES STREET , LONDON , WC1N 3HB
Application No 2015/4560/L**

Further to my previous letter issued to your colleague Michelle O'Doherty on 18 November (enclosed for your information) we are pleased to see that the proposed over floor heating system has been omitted from the scheme. We are therefore now content for this application to be determined in accordance with national and local policy guidance and on the basis of your specialist conservation advice.

We have therefore drafted the necessary letter of authorisation (draft attached) for your Council to determine the application as you see fit and referred the case to National Planning Casework Unit. Subject to the Secretary of State not directing reference of the application to him, they will return the letter of authorisation to you. If your authority is minded to grant listed building consent, you will then be able to issue a formal decision. Please send us a copy of your Council's decision notice in due course.

Please note that this response relates to historic building matters only. If there are any archaeological implications to the proposals it is recommended that you contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973 3712).
