Your comments on the planning application

I object to the changes to No 3 Belsize Crescent, NW3 5QX due to:
A window overlooking Burdett Mews restricts us possibly building another floor on the mews, which is a possibility in the near future
We have skylights and this invades our privacy with a window overlooking this.
I don't want any works to be accessed by our private mews or our roofs, especially 6 and 7 Burdett Mews, they are not strong enough to we walked on. This includes scaffolding on the rear of 3 Belsize Crescent.

Planning Application Details

The Services are already poor in this area like water and cant cater for the number of flats already, this will all need to be upgraded.
