Hi there,

The CGCA would like to submit comments for 21 Stacey Street WC2H 8DG, 2015/6872/P.

No objection, provided the officer is satisfied that the floodlights will not shine on the windows of adjacent residents, and a condition must be included that specifies that the lights are required to be turned off by 23:00.

Please let me know if you need any additional information from the CGCA.

Best wishes,  
Meredith
