

Photo 1: Stairs to main entrance to existing flat

Photo 2: Main entrance hallway showing stairs at far end up to the entrance of both 1<sup>st</sup> and 2<sup>nd</sup> floor proposed flats – entrance to ground floor flat is at the far end on the left hand side

Photo 3: Existing stairs leading up to entrance of proposed 1<sup>st</sup> and 2<sup>nd</sup> floor flats

Photo 4: Existing stairs leading to both proposed flats – adapting these for a stair lift/ or through the floor lift would not be possible due to narrow configuration and position to Ground Floor flat
