2015/6907/P	Mukesh Amin	132 Boundary Road NW80RH	21/01/2016 14:24:06	OBJ	<p>We have concerns about the proposed extensions and we are against proposal for the following reasons:</p> <p>Roof Extension; This property falls within the St John's Wood Conservation Area. The roof extension will significantly alter the height of the building wall and will be clearly visible from the street, from both front and side elevations. This is against the policies for Conservation Areas.</p> <p>Side extension: The extension will be visible from the street therefore considerably affects the conservation area.</p> <p>In addition the property is currently being used as a high turnover guest house (Airbnb) and noise is a problem at unsociable hours (terraces).</p>
