Dear Matthew,

[Redacted]

[Redacted]

The Rev Guy Pope
St Marys Vicarage, 85 Dartmouth Park Road NW5 1SN

[Redacted]

T1 stands at the front of the church On Dartmouth Park rd

T1 is a Robinia

Proposed works : reduce away from building by 2 metres over all reduce by 1 metre

Reason for works: direct contact of crown to roof to building and roots causing lifting of curb.

I believe it has a TPO on it but I don't know the number also an application was rejected a year back or so according to the Reverend if you require pictures of the curb stone and the contact to the roof let me know .

Thank you very much for your patience and time .

Regards Simon
