100 NEW OXFORD STREET – Application reference PP-04674073

Dear Sir / Madame,

I write following the submission of an application for minor works to the ground floor entrance to the main office building. I have been advised that the application has now been validated under reference 2015/7001, however I am unable to view this online.

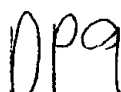

Since the application was submitted the applicant has amended the scheme slightly. The alterations involve the installation of only one pass door to the right of the proposed revolving door. The amended proposal is illustrated on the plans detailed below.

Existing plan	Revised plan
n/a	P101 – mark up with measurements
n/a	P102 – mark up with measurements
P101- Proposed ground floor layout	P101 – Rev C
P101- Proposed ground floor layout	P101 – Rev B

Along with the revised drawings, I have also submitted the amended Design and Access Statement and Planning statement to reflect the proposed changes.

We trust that the enclosed information will allow you to continue with the determination of this application and we look forward to receiving confirmation of this. In the meantime, please do not hesitate to contact Hugh Morgan or Robert Allen of this office should you have any queries.

Yours sincerely,

DP9 Limited
