26 January 2016

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

**Flat A
73 Hillfield Road
London
NW6 1QB**

Proposal: Erection of single storey rear extension at ground floor level.

Drawing Nos: Site location plan 461/100, 461/01; 02, 03, 04, 05 Rev A, 06 Rev A, 07 Rev A, 08 Rev A.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies and the Fortune Green and West Hampstead Neighbourhood Plan.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: site location plan 461/100, 461/01; 02, 03, 04, 05 Rev A, 06 Rev A, 07 Rev A, 08 Rev A.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed rear extension is considered to be subordinate in size and scale and lightweight in appearance. It would therefore not be harmful to the character and appearance of the host building or the surrounding area.

The proposed single storey rear extension would be a similar height as the existing extension and 1.3m deeper to project to the same depth as no.75. The existing terrace would be retained in size and the balustrade position would be unaltered. The current levels of overlooking would therefore not be increased and the proposal would not cause any undue harm to neighbouring amenity in terms of loss of light, outlook or privacy.

No objections were received prior to making this decision. The planning history of the site and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies and the Fortune Green and West Hampstead Neighbourhood Plan. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2015 and paragraphs 14, 17, and 56-66 of the National Planning Policy Framework.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

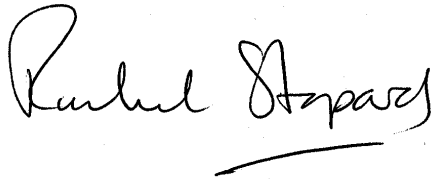

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
