2015/6231/P	Cherie Yeo pp Dr + Mrs RS Yeo	25C Frogna London NW3 6AR	26/01/2016 16:14:00	OBJEMAIL	<p>Dear Mr Clark</p> <p>Further to our comments letter of 20-01-2016, which crossed with various new documents being submitted; please kindly note the following points in addition to our objections on the proposed development:</p> <ol style="list-style-type: none">1) Where will the residents of the proposed house park their car(s)? If this is to be on the driveway itself then this will add to congestion and unsafe turning circles here.2) What does the red dotted line on site plan drawing 005 adjacent to no 25C Frogna refer to?3) The issue of daylight/overshadowing should be considered together with those of privacy; noise; overlooking; and light pollution; when building facades are in such close proximity to each other; any one of these can represent a wholesale reduction in amenity to a neighbour. <p>Kind Regards</p>
