Dear Charles

**Town & Country Planning Act 1990
Planning (Listed Buildings and Conservation Areas) Act 1990
2-6 Southampton Row, London, WC1B 4AA**

On behalf of Havza Ltd, Planning Resolution Ltd submit via the planning portal a planning and listed building consent application for new external lighting to the approved hotel scheme at 2-6 Southampton Row, London, WC1B 4AA.

The proposed lighting scheme is considered to accentuate the architectural features and signal it as an important building in the Southampton Row street scene.

I enclose a Design and Access Statement & Heritage Impact Assessment produced by Harper Downie Architects which details the proposed works and specification and type of materials.

We trust that the submission is sufficient and look forward to confirmation of validation in due course. However please contact me if you wish to discuss any matters in the meantime.

Yours sincerely,

David Williams
