London
N1C4AH**

Proposal:
Samples of new facing materials for the conservatory extension required by condition 3(a) of planning permission ref 2014/5273/P dated 27/10/2014 for Erection of a glazed roof extension to block 4 and creation of a roof terrace to block 5
Drawing Nos: Sample/Benchmark Approval 300-43 Rev 1

The Council has considered your application and decided to grant permission

Informative(s):

- 1 Reasons for granting permission.

The proposed conservatory sample panel conforms with the previous plans approved under the parent application (2014/5273/P) and would preserve the

character and appearance of the host building and surrounding conservation area.

The full impact of the proposed development has already been assessed. The proposed details would not have a harmful impact on the appearance of the host buildings and streetscene or on the character of the conservation area.

As such, the proposed development is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
