Dear Ms Bond

**Arrangements for Handling Heritage Applications Direction 2015 & T&CP (Development Management Procedure) (England) Order 2015
ST STEPHENS CHURCH HALL , POND STREET , LONDON, NW3 2PP
Application No 2015/7180/L**

Thank you for your letter of 24 December 2015 notifying us of the application for listed building consent relating to the above site.

We have considered the application and are minded to direct as to the granting of listed building consent. You will be aware that Historic England has offered grant assistance towards these works and we have therefore the repair method as set out in the specification in some detail. I am content that the proposed changes would not harm the significance of the church and are necessary to secure the future of the building.

We enclose the draft letter authorising the granting of consent (draft attached) and have referred the case to National Planning Casework Unit. Subject to the Secretary of State not directing reference of the application to him, they will return the letter of direction to you.

If your authority is minded to grant listed building consent, you will then be able to issue a formal decision. Please send us a copy of your Council's decision notice in due course. This response relates to listed building matters only. If there are any archaeological implications to the proposals please contact the Greater London Archaeological Advisory Service for further advice [REDACTED]
