Your comments on the planning application

66 Fitzjohn's Avenue

I discovered this planning application purely by accident. None of the lessees of the adjacent property, 64 Fitzjohn's Avenue, were notified even though it is probably the building most affected.

I also note when reading the application that this property been omitted from the list of residences to be consulted.

I have spoken to the Case Officer at Camden's Planning

Department, Ms. Zenab Haji-Ismail and, given that no notification letter had been received, she agreed to extend the period for comment for a further three weeks.

I would be grateful for confirmation of this on the website and for formal notification to be sent to the residents missed off the list of those to be consulted.

The original deadline was tomorrow (14th January). I wish to object but need more time to formulate a careful response.
