2016/0088/P	Meredith Whitten on behalf of the CGCA	Covent Garden Community Association 42 Earlham Street WC2H 9LA	29/01/2016 15:30:41	OBJ	Objection. The proposed additional storey and design of the rear mews building would result in an inappropriate increase in bulk/massing that harms the character and appearance of the conservation area and adjacent listed buildings, as well as adjacent mews buildings. Additionally, the increased space, which would extend an entertainment use (A4) would compound noise and disturbance. The windowed design of the additional storey also would have an impact on privacy for adjacent residents.
