Dear Darlene Dike

I have been away for the Christmas period and I have returned to see this Planning Application from 18 Parsifal Road NW6 1UH – Application ref:2015/6629/P, Associated ref: EN06/0242.

**The applicant has already carried out this work to their property.**

I am truly shocked and I think that this is an insult as we expect the values of a Conservation Area to be upheld by all. We, residents abide by them and it is not acceptable that people arrive on the road and decide to do what they want without proper consultation.

Should this be allowed, it creates a very serious precedent and sends the wrong message to all newcomers to Parsifal Road that they can do 'whatever they like'. This is unacceptable and I beseech you not to allow this eyesore that has nothing to do with the rest of the road.

Yours sincerely
